5. Evaluation of Bids

A. Technical Evaluation

Detailed technical evaluation shall be carried out along with other conditions in the tender document to determine the substantial responsiveness of each tender. For this clause, the substantially responsive bid is one that conforms to all the eligibility and terms and condition of the tender without any material deviation.

Technical evaluation will be based on the criteria given below (Total 100 points):

1. Bidder's Profile
2. Bidder's certification
3. Bidder's Financial Capability
4. Bidder's experience in CBT
5. Bidder's Infrastructure Capability

B. Financial Evaluation

The Financial Bid of only those Bidders who have been found to be technically eligible will be opened.

The Financial bids of technically ineligible bidders will not be opened.

The Financial Bids shall be opened in the presence of representatives of technically eligible Bidders, who may like to be present. ASRB shall inform the date, place and time for opening of the Financial Bid to the technically eligible bidder(s).

The Financial bid should contain a quote in Indian Rupees. Applicable taxes will be paid as per applicable rates of the Government. In case of discrepancy between the price/rates in figures and words, the price/rates in words will be considered as final. Actual payment will be made on the basis of number of candidates/ application registered for the exam (after removing all duplicate / rejected applications).

Bidder must submit two separate rates for the works mentioned in Financial Bid. Submission of both the rates is mandatory otherwise, the bid will be treated as incomplete and is liable to be rejected.

C. Evaluation and Comparison of Bids

70 % weightage will be awarded for Technical Evaluation and 30 % weightage will be awarded for Financial Evaluation

Every Technical Bid will be assigned a Technical score (TS) on a scale of 100 points, as per the Scoring Model.

The amounts quoted in the Financial Bid will be considered separately for evaluation of the financial bid for award of tender for following:

1. Pre-examination, online CBT examination and post exam processing work
2. Pre-examination and post examination processing work (for offline exam)

Further, the financial scores would be normalized on a scale of 100, with lowest score being normalized to 100 and the rest being awarded on a pro-rata basis. Such normalized scores would be considered for the purpose of QCBS based evaluation, explained in section below.

D. Final Evaluation Criteria - Quality and Cost based selection (QCBS)

The individual Bidder's commercial scores (CS) are normalized as per the formula below:

$F_n = (F_{min}/F_b) * 100$ (rounded off to 2 decimal places) Where,

F_n = Normalized commercial score for the Bidder under consideration

F_b = Absolute financial quote for the Bidder under consideration

F_{min} = Minimum absolute financial quote

Composite Score (S) = $T_s * 0.70 + F_n * 0.30$

Tender will be awarded to the Bidder(s) on the basis of highest Composite Scores derived through the Quality and Cost Based Selection (QCBS) Evaluation Method, **separately** for following:

1. Pre-examination, online CBT examination and post exam processing work
2. Pre-examination and post examination processing work (for offline exam)

3.9 Delays in the Bidder's Performance

Conduct of the examination as per timeline is the main aspect of the work and performance of the Services provided by Bidder. The timelines as notified from time to time by ASRB to the bidder will become the forming part of the Contract Agreement.

The activities involved are time bound and it is expected that no extension of time for performance of any activity/ activities will either be sought or given in this project. However, if at any time during the course of the contract, the Bidder encounters conditions impeding the timely delivery of the items and the performance of the service, the Bidder shall promptly notify to the ASRB in writing the fact of the delay, it's likely duration and its cause(s). The ASRB will evaluate the situation and in the exceptional circumstances and in the interest of work, may extend the Bidder's time for execution of said item of work, But in no case extension shall be granted having adverse effect on scheduled conduct of examination. The dates declared for examinations are absolute unless changed by the ASRB on its own. Delay on part of the Bidder in the performance of its delivery obligations shall render the bidder liable to the imposition of penalty unless an extension of time is agreed upon by the Competent Authority.

3.10 Termination for Default

ASRB may, without prejudice to any other course of action for breach of contract, by written notice of a month period (30 days) to the other party, terminate the agreement in whole or in part, if:

- The tenderer/ bidder fails to perform any or all of the obligations within the time period(s) specified in the agreement or any extension thereof granted, by the other party.
- The quality of the delivery of various tasks is not up to the satisfaction of the ASRB.
- The defaulting party fails to perform any other obligation under the contract agreement.

In the event of the ASRB terminating the contract in whole or in part, the ASRB may procure, upon such terms and in such a manner as it deems appropriate, items or services similar to those undelivered, and the Bidder shall be liable to the ASRB for any excess costs for such similar items or services. However, the Bidder shall continue with the performance of the contract to the extent not terminated. The Bidder shall stop the performance of the contract

from the effective date of termination and hand over all the documents, data, equipment etc. to ASRB for which payment has been made. The Bidder may request ASRB to withdraw items, for which payment has not been made. No consequential damages shall be payable to the Bidder in the event of termination. In case of termination of contract, all Bank Drafts/ Bank Gurantee/ FDRs furnished by the Bidder by way of Bid Security / Performance Security shall stand forfeited. In case of suspension/termination, the Bidder shall be liable to pay compensation for any direct loss or additional liability, if incurred due to completion of work by another agency.

3.11 Termination for Insolvency

The ASRB may at any time terminate the contract by giving notice to the Bidder, if the Bidder becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the Bidder, provided that such termination will not prejudice or affect any right of action or remedy, which has accrued or will accrue thereafter to the ASRB. If during the pendency of this contract, any insolvency proceeding is initiated against the agency/ firm, the agency shall immediately inform in writing about the complete details of the proceeding to the ASRB and ASRB may take appropriate action as deem fit.

3.12 Suspension

The ASRB may, after giving a written notice of suspension to the Bidder, and considering the representation, if any, submitted to him within a period of 07 days from receipt of such notice, suspend all payments to the Bidder, if the Bidder fails to perform any of its obligations (including the carrying out of the services) provided that such notice of suspension:

- Shall specify the nature of the failure and
- Shall direct the Bidder to remedy such failure within a specified period from the date of receipt of such notice of suspension by the Bidder.

The ASRB may engage some other agency for the completion of suspended work, which will be carried out at the risk, and cost of the Bidder.

3.13 Confidentiality

The Bidder and their personnel shall not, either during implementation or after completion of the project, disclose any proprietary or confidential information relating to the services, agreement or the ASRB's business or operations without the prior consent of the ASRB.

Code of Integrity:

The Bidders should observe the highest standard of ethics and should not indulge in the following prohibited practices, either directly or indirectly, at any stage during the services or during execution of resultant contracts:

i.	“Corrupt practice”	Making offers, solicitation or acceptance of bribe, rewards or gifts or any material benefit, in exchange for an unfair advantage in the services or to otherwise influence the procurement process or contract execution;
ii.	“Fraudulent Practice”	Any omission or misrepresentation that may mislead or attempt to mislead so that financial or other benefits may be obtained or an obligation avoided. This includes making false declaration or providing false information for participation in a tender process or to secure a contract or in execution of the contract;
iii.	“Anti-competitive	Any collusion, bid rigging or anti-competitive

	practice”	arrangement, or any other practice coming under the purview of the Competition Act, 2002, between two or more bidders, with or without the knowledge of the Purchaser, that may impair the transparency, fairness and the progress of the procurement process or to establish bid prices at artificial, not-competitive levels;
iv.	“Coercive Practice”	Harming or threatening to harm persons or their property to influence their participation in the procurement process or affect the execution of a contract;
v.	“Conflict of Interest”	Participation by a bidding firm or any of its affiliates that are either involved in the consultancy contract to which this procurement is linked; or if they are part of more than one bid in the procurement; or if the bidding firm or their personnel have relationships of financial or business transactions with any official of Purchaser who are directly or indirectly related to tender or execution process of contract; or improper use of information obtained by the (prospective) bidder from the Purchaser with an intent to gain unfair advantage in the services or for personal gain; and
vi.	“Obstructive Practice”	Materially impede the Purchaser’s investigation into allegations of one or more of the above mentioned prohibited practices either by deliberately destroying, falsifying, altering; or by concealing of evidence material to the investigation; or by making false statements to investigators and/or by threatening, harassing or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation; or by impeding the Purchaser’s Entity’s rights of audit or access to information;

3.14 Force Majeure

Notwithstanding anything contained in the Bid Document, the Bidder shall not be liable for forfeiture of security, liquidated damages or termination for default, if and to the extent that, it’s delay in performance or other failures to perform its obligations under the agreement is the result of an event of Force Majeure.

For purposes of this clause “Force Majeure” means an event beyond the control of the Bidder and not involving the Bidder’s fault or negligence and which was not foreseeable. Such events may include wars or revolutions, fires, floods, earth quakes, epidemics. The preventive majors for fire breakdown must be followed otherwise will not be applicable here. The decision of the ASRB, regarding Force Majeure shall be final and binding on the Bidder. If a Force Majeure situation arises, the Bidder shall promptly notify to the ASRB in writing, of such conditions and the cause thereof. Unless otherwise directed by the ASRB in writing, the Bidder shall continue to perform its obligations under the agreement as far as reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event. The ASRB may, terminate this agreement by giving a written notice of a minimum 15 days to the Bidder, if as a result of Force Majeure; the Bidder is unable to perform a material portion of the services for a period of more than 30 days. Force Majeure does not include insufficiency of funds, any event which is caused by the negligence or any event which a party could reasonably have been expected to foresee or overcome in carrying out of its obligations.

3.15 Resolution of Disputes

Decision of Secretary, ASRB shall be final for any aspect of the contract and binding to all parties. Disputes arising, if any, on the contract will be settled at his/her level by mutual consultation and in case of failure or settlement, dispute shall be referred to the sole arbitrator to be appointed by the Secretary, ASRB. The decision of the sole arbitrator so appointed shall be final and binding on the parties. Arbitration proceedings shall be governed by the Arbitration & Conciliation Act, 1996 as amended from time to time.

3.16 Legal Jurisdiction

All legal disputes between the parties shall be subject to the jurisdiction of the courts situated in Delhi only.

3.17 Local Conditions

The Bidder shall inspect the cities/sites of operation and shall satisfy himself of the cities/site conditions and availability of required resources and shall apprise himself of the procedure for engagement of agencies and shall collect any other information that may be required before submitting the bid. Claims and objections due to ignorance about site conditions shall not be considered after the submission of bid.

3.18 Responsibilities of the Bidder

The bidder shall be responsible for the successful completion of work as per the terms and specification and direction of ASRB.

3.19 Interpretation

In these Terms & Conditions:

- References to laws shall mean the applicable laws of India and references in the singular shall include references in the plural and vice versa.
- References to a particular article, paragraph, sub-paragraph or schedule shall, except where the context otherwise requires, be a reference to that article, paragraph, sub-paragraph or schedule in or to this tender.
